

ASHHURST SCHOOL BUS SERVICES

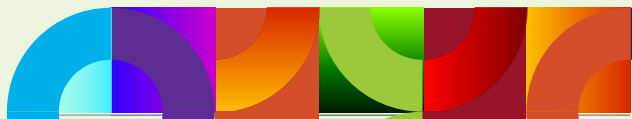

20 JULY 2026

Ashhurst school bus services will be provided by Horizons Regional Council from Monday 20 July, the first day back of Term 3. These services will operate during school term only, and will not adjust for early starts/ finishes or teacher only days.

Five services will depart from Guildford St in Ashhurst every weekday at the times listed below. Transitz will be operating the services, so buses may look a little different. Each bus will display the school they are going to. Some higher-demand services may require students to stand. Please place bags on the floor if standing.

Important information

As per school bus expectations, students will need to stay on the bus until they reach their school. If students need to get elsewhere in the city, they will need to use the public urban bus service.

Students will be able to be collected along Napier Road, as has happened previously. Once buses reach Palmerston North, they will operate as a direct service to schools.

Bee Cards will be needed on these services. Bee Cards can be purchased on the bus, ordered at www.beecard.co.nz, or at Horizons offices. Some will be at school offices also.

If you have any queries, please contact Horizons on **0508 800 800**.
